They are therefore reinforced by the progressive erosion of the ability to choose differently. **Destroying effects of compulsive pursuits**

An audience not that different from mine, the relationship-destroying effects of many compulsive pursuits to which men are prey – chemical, sexual, and otherwise, can be blithely rationalized as a lever to press that fulfills simple water and cocaine. The rats present the lever to the point of starvation, physical exhaustion, and death, ignoring hunger entirely. ## Chapter 2: Obo wants scripts.

Now the simple backstory is here (this happened earlier in october, the timestamps of ‘today’ are incorrect)

The backstory is that Kelly, Obo’s current e-date is a Magic-tool producer. Making firebolts and what-not. She needed help with animations and Obo jumped on the wagon wanting to help. He doesn’t know how to do animations himself so he wanted me to give him the animations in Wulffhardt’s and Lv’s magic pack. Believing I was the one who made those animations.

He gets to a point where he believes he is going to steal the scripts from the game called ‘Skywatch’. A place owned by Void which basically contains all of our scripts like our magic, ranged weapons and and GUIs we use.

(Thing is: you cant steal scripts with Synapse X, that’s a well known fact to anyone who uses it. He pretends he can by showing off ReplicatedStorage

scripts, which btw are the default ones so it might as well have been a bluff.

He later tries to open a scripted door and it doesn't work.

**Hobo** Today at 02:51

yo

i need magic

can you help me

?

They are therefore reinforced by the progressive erosion of the ability to choose differently. The capacity for moral choice is gradually undermined as the compulsion tightens its grip.<sup>5</sup>

**Destroying effects of compulsive pursuits**

An outcome not that different from the life- and relationship-destroying effects of many compulsive pursuits to which men are prey - chemical, sexual, and otherwise, can be illustrated. Rats were given a lever to press that fed them simple water and cocaine. The rats pressed the lever to the point of starvation, physical exhaustion, and death, ignoring hunger entirely.

you don't help me

## Chapter 4: Pedophilia

A lot of Void members are former members of a group called Korbitron and Sun Creek.

In that group they developed a friend group named ‘**J**’s Palace’. I want to remind you that ‘**J**’ is a nickname due to the fact that the victim has come forward and requested her privacy to be protected.

This server was created by that particular **J**. A 14-year old with a roblox server.

Obo got to know both 14-year old **J** and 17-year old **C** when they were practicing at Skywatch. Other people were there sometimes but it was mainly them two and Obo butting in.

Everyone in that particular server is very young. **C** (17) probably being the oldest person.

This was then later sent into a Void chatroom (the name of this individual has been blurred for privacy reason)

31/10/2020  
C [REDACTED] 's such a retard  
She invited Obo to a server filled with a bunch of 13-16 year olds

Yesterday at 05:24  
she invited obo to this server i made a while ago with some korbitron friends  
all 13-17 year olds

Confirming that Obo, a 19-year old was added to that particular server. Not illegal but weird  
It gets worse when he starts flirting with the server owner, who is 14.

**Now, UPDATE 2(03/11/2020 00:42AM GMT)**  
**One of the victims has come forward explaining that she requested that her name be blurred from these documents. It is only a rightful request and for their privacy I have chosen to do so.**

**To still keep some context. The two girls have been renamed to C and J.**

2 November 2020  
C [REDACTED] Yesterday at 18:28  
Varla can I ask of you to please blur out J [REDACTED] name and age from the google doc as she did not know anything about the doc at all as well as mine she is uhh not very happy that her info is out

The blurred part I can only assume is his snapchat name. When sent to me it was blurred but I'll do you a service.

Snapchat: michaelstults

Enjoy!

There were also rumours that Obo had sent this girl pornographic images on snapchat. I have no proof due to the fact that its visible when people screenshot on snapchat.

Var Yesterday at 05:24  
did you kick him?

[redacted] Yesterday at 05:24  
now they've been staying up all night  
no i dont know what to exactly do  
im an hr but the server owner and other hrs wont be happy

Var Yesterday at 05:25  
this is good, me and [redacted] have been talking about obo exactly for the past hour  
something is about to go down

[redacted] Yesterday at 05:25  
lol

[redacted] Yesterday at 17:03  
varla  
obo apparently was acting lewd and sexting with one of crystal's friends  
sending dick picks or whatever

Var Yesterday at 17:04  
Get the proof  
Please

[redacted] Yesterday at 17:27  
He sent her dick picks and pictures via snapchat apparently  
she told me not to tell anyone but  
im not letting shit like this slide

No further development came from here. Until he began talking to **C**.

 Hobo AKA MousePiefandom  
why does that shit make you uncomfortable  
hmm.

 Today at 1:52 AM  
You were kinda getting a tad bit into it and I understand it was a joke but the atmosphere was getting a bit off with everyone

 Hobo Today at 1:52 AM  
but how did it make you feel  
you don't like the center of attention  
?  
even if it's a joke?  
did you show [redacted] what I look like

 C Today at 1:55 AM  
I did not really feel right about it sometimes I like the attention but not in that kind of way if you understand  
And no I did not

 Hobo Today at 1:55 AM  
oh  
but you definitely told her..  
1:55 AM didn't you

  
there's a reason I showed you 😊  
I didn't even show you anything 😊

I forgot to mention. Obo is making a faction with his girlfriend at the time called High Rock. This is briefly mentioned in Chapter 1. Reminder, he's going after minors while he is in a relationship.

"And in the second he sent a picture of fucking abs.. and uhh I did not really like that as you can tell from what I said" (edited)

"He then

Kept on saying how he likes me

And shit

And uhh

He was like trying to butter me up I guess"

**Description of** Further text that didnt fit into this particular screenshot. He sent a picture of his body to this girl. Screenshots about that will come later since the chronological order got messed up a bit.

I'm pretty certain Obo got his way of sweet-talking from Pornhub comments. Regardless, what he's doing now is honestly just a common predatory tactic.

I dont  
understand why he's telling her that I'm getting him to lead a group. He sent that at 5AM USA time. I had told him that he wasn't going to lead one probably at 1-2AM British time [1st November] He's openly lying here.

Slightly NSFW material ahead.

Obo having differing stories how he lost his virginity. Now this would be weird to bring up but he's told this to almost every person on earth, it's a conversation he regularly brings up. I know it says 'deleted user' here so it's not the best, but if you compare the grammar and the way of writing it's obvious that its him.

## Chapter 5: Redemption?

In this chapter I will detail the defenses Obo has made for himself since the release on this document.

09:09AM 02/11/2020.

All of his defenses will be taken fairly and deconstructed. This is so he doesn't DM you trying to

prove his innocence when he could've spoken to anyone of higher intellect. Do not let this man manipulate you.

Hobo Today at 4:04 AM  
really lop

Today at 4:04 AM  
ill still be up front with you

Hobo Today at 4:05 AM  
wait tell me what happened tf

Today at 4:05 AM  
and say that i did send *some* of the shit that youve sent me to varla. nothing too bad, especially because im not a minor but just stuff that reinforces your overly sexual and perverted behaviour

Hobo Today at 4:05 AM  
if it's that doc  
yeah  
I was p fucked up in the head a while back but I have a medically diagnosed excuse for it  
and it's kinda why I didn't tell anyone  
but  
she wasn't 19 no and I wasn't 19 at the time either and she **was** of age

Today at 4:06 AM  
there's no excuse and you still act like that with me

Hobo Today at 4:06 AM  
it was a 2 year age difference and yeah  
sometimes

This is in response to the “Legal age minor”  
The claim is simply they were of the same age, implication both 16 or 15. Whatever the age of consent is in Florida.

Thing is, when you are in situations like that Where there is a small small age gap you don't talk about it like “fucking a legal age minor”. That's

something you just don't mention to any normal human you're talking to. It's a weak defense, if he wanted to tell us that he'd had sex he'd just tell us he did, bringing the fact the girl was a minor was utterly useless to him and really just proves he's incoherent and stupid. Also, this is just one of the screenshots. There are more that are in chatrooms that don't exist anymore due to me leaving them or me getting kicked out. He'd often change the story where this happened, if you think that's far fetched then read the part about his virginity again, he's not afraid to lie.

Today at 4:09 AM  
i don't believe you because you still act perverted and overly sexual.

 **Hobo** Today at 4:09 AM  
I'm not overly sexual **name of DM person**

 Today at 4:09 AM  
yes. you are.

 **Hobo** Today at 4:09 AM  
not with you at least.  
lmfao.  
that's my personality.  
2 girls you said  
who was the other one  
you do realize that girl defended me

 Today at 4:09 AM  
that's like when nate said it was just his personality, and it was just what he liked

 **Hobo** Today at 4:09 AM  
and I'm still friends with her right  

---

  
but it's not my personality  
I'm a good person.  
lmfao  
ion go after little kids

Here he is being accused of having an over sexual personality. Which sometimes isn't horrible if you're an adult talking to adult. Thing is: he brings his personality into discords and servers full of children. He also brings in the fact that fucking a 'legal age minor' was okay because they're still friends. Well,

this is really just a common pattern that is found in either instances of rape, dominated incest or domestic abusive relationships. Not really an excuse.

It continues, trying to deflect it by “we’re friends on snapchat its aight”. Usually when confronted about anything vile, Obo would bring in the fact that he was on medication for his bi-polar syndrome. Now he actually, this is the first time he names the particular product: Respiradome.  $C_{23}H_{27}FN_4O_2$

Often nicknamed Risperdal. This is a common antipsychotic drug. Often given to patients with schizophrenia and bipolar disorder. We are aware of the fact that Obo is in fact Bipolar, but no evidence of schizophrenia has ever been shown nor noted.

## Uses

[Risperidone](#) is used to treat certain mental/[mood disorders](#) (such as [schizophrenia](#), [bipolar disorder](#), irritability associated with autistic disorder). This [medication](#) can help you to think clearly and take part in everyday life.

Risperidone belongs to a class of drugs called atypical antipsychotics. It works by helping to restore the balance of certain natural substances in the [brain](#).

### How to use Risperdal

Take this [medication](#) by [mouth](#) with or without food as directed by your doctor, usually once or twice daily.

If you are using the liquid form of this medication, carefully measure the dose using the special measuring device that is provided. Do not use a household spoon because you may not get the correct dose. If directed, you may mix the measured dose with a small amount of liquid (3 to 4 ounces/about 100 milliliters) such as water, coffee, orange juice, or [low-fat](#) milk. Do not mix with cola or tea. Take all of the mixture right away. Do not prepare a supply in advance. Consult your [pharmacist](#) if you have any questions.

The dosage is based on your age, medical condition, response to treatment, and other [medications](#) you may be taking. Be sure to tell your doctor and pharmacist about all the products you use (including [prescription drugs](#), [nonprescription drugs](#), and [herbal products](#)). To reduce your risk of side effects, your doctor may direct you to start this medication at a low dose and gradually increase your dose. Follow your doctor's instructions carefully.

Take this medication regularly to get the most benefit from it. To help you remember, take it at the same time(s) each day. Keep taking this medication even if you feel well. Do not stop taking this medication without consulting your doctor.

Tell your doctor if your condition persists or worsens.

[What conditions does Risperdal treat?](#)

He has used risperdal as an excuse for his bad behavior. Yet it says: This medication can help you to think clearly and take part in everyday life.

That's really interesting. When he's on his meds he's talking to people the way he does it's obviously not working or not meant for him.

Hobo Today at 4:26 AM

wait what

WHAT

IM NOT TARGETTING C ██████████ AND J ██████████

THEY'RE MY FRIENDS

ADD ME TO A GC WITH HIM

IS THAT WHAT HES SAYING

OH **HELL** NO

OHH **HELL** NO

LOL!!

THEY'VE BEEN HELPING ME BC OF THE SHIT KELLY PUT ME THROUGH!!

LOL?!

On the note of not targeting C and J. This is just obviously wrong. Go read Chapter 4. He barely mentions Kelly or any of his problems, its just him thirsting over them two.

LOL?!

"OPENLY"

IM NOT TARGETTING THEM NOR DO IK WHERE THEY LIVE ALL IK IS THAT THEY LIVE IN FL THATS FUCKING BULL SHIT LOL

IDECK WHERE THEY LIVE ALL WE DO IS PLAY GAMES TOGETHER LOL!!

AND C ██████████ IS 17 NOT 14

AND J ██████████ IS 15

THERE AGAIN HES WRONG AND I DONT DO ANYTHING WITH THEM LOL

THATS RETARDED

Oh all they do is play games together. Fair enough, I totally remember sending pictures of my body to people I play games with. Doesn't really add up. Also I

never said C was 14 it is thoroughly stated that she is 17 in this document. Not that it should matter the conversations are disturbing regardless of age. As for J being 15 and not 14. Again, why is that a crucial detail in his defense? Is it okay suddenly since she's 15? Also, every source I've had has had her age as 14, not 15. Tell all the people that worked on this that they're liars.

 **Hobo** Today at 4:33 AM  
the 2 "victims," chip, ghosty,  
ppl in their discord  
literally it's a group chat  
varl got this information from vaelystra  
vaelystra must have known the entire time about my past that I never revealed for a reason  
but I didn't do anything to them not with them  
literally

Not really sure what to say about this one. Except that it's exactly like diarrhea: just bullshit seeping from him.

The witnesses meant to protect him are the people in the group chat 'jolly's palace' a crucial detail missing her is that the people who sent me ALL OF THIS are people from that group chat. Obviously not his witnesses, they're the reporters.

As for Vaelystra/Natalie, just confirmed that the group is full of children and that someone of Obo's age shouldn't really be around that environment. Look here. He's openly telling this person that both C and J. As well as other people in J's server will protect thjem and can vouch for him, just remember that. Because

it's just an open lie.

Now, people like this merely existing doesn't mean that Obo is a nonce. But that doesn't really matter

considering the chats we've seen, the lengths he's willing to go to talk to people inappropriately.

As for people defending him.

Today at 09:39  
i only talked a little to obo in vc

he went on his usual ego boasting and i followed on as a joke  
maybe that's why he takes me as witness to defend him

These are his saviors. People making fun of him.

I actually feel disgusted  
Who let him in this server?

Another person that Obo said was protecting him and vouching for him.

Keep an eye for alts

He was convinced these people agreed with him solely because they wouldn't speak out against him without higher support. He dominated the server with his age and attitude, mistaking their silence as acceptance.

Today at 09:39  
All thanks to J [REDACTED] for going up to me and telling me the situation on Obo  
He could've forced her to stay quiet but she admitted everything

As for the victims defending him. This document only exists because they came forward with the conversations.

After these screenshots were gathered. Obo and Varl [Author and Accusor] join into a group chat with a neutral party to talk this out, and offer Obo a platform to defend himself, Spoiler: doesn't go well.

After reading this series of chat, it is up to you personally whether you forgive this individual. Whether you talk to him, support him or hate him. It's not up to me, I've passed my own judgment and opinion, now it's your turn.

Without any further due, here is the conversation that ensued.

Spoiler: Neither Obo or Kelly did know about the docs at this point. Obo pretends he does but you can repeatedly see that he doesn't know what is going on until it's brought to his face.

**Trick** Today at 09:59

 Saint Vynith the Ashlander Today at 0:59 AM  
@everyone I apologise for the ping at this ungodly hour but I wanted to be the one to do it, given my relation with the case.

Obo has been exposed in some shady shit. I'm releasing this and I want you all to be well aware of what he's done and act accordingly.

<https://docs.google.com/document/d/1sMDehzIlgQWdkV8ggcVjOUKJwMyC4ieC4nbIZMmarU/edit>

Despite this, I do encourage you to know that Obo was a good leader, fighter, and most importantly a good friend in the time I knew him. I only became his greatest ally so that I could view a community lynching from the other side, once I realised he was going to become the second Nate. I've been targeted by the community for shit talk, but that was a petty accusation that died only a day after it began. This is something different, and will see him fully removed for good. Given that these are rarer, I wanted to see the other side for a change and get directly involved...so I started being as toxic as I could and doing the most Obo-like things possible to earn his trust and become his ally.

In short, I wanted to have his story, defend him, and see the reaction the community had. I'll be releasing my study notes on that with the Black Horse Courier this weekend, and I hope that once those are released we can finally stop lynching leaders purely because we don't like them. It applies to Obo as well, even though the document itself is rather damning.

In fact, this document has a lot of old news from Obo's past and is only resurfacing now due to the fact Obo has been banned from OESR, HFC, and RES due to his actions. The community doesn't favour him anymore, and his reputation is damaged. It's the perfect time to strike him down.

Again, the document is damning and this hate is perhaps justified, but I find the community's mob mentality to be interesting and I've been part of the mob many times over the years. Now I've been on both sides, and I can't wait to release my findings this weekend.

 kelly does not know about the docs.

**Hobo** Today at 10:00

 she does.  
i sent them to her  
lol  
she doesn't know about that stuff

For some reason Obo is just lying her or he is incredibly confused. Neither of them had seen the docs. Another note. Kelly is another victim in this situation, initially I assumed this was a duo mission, this whole thing. But after her testimony (chapter 6) it becomes clear Obo is the only offender here and he backstabbed his own girlfriend in hopes of snatching younger girls.

Before that continues, (I might have shared screenshots of this before i dont even remember) Kelly was invited to J's discord where she confronted him about speaking to 14-year old girls after an informant had messaged her.

Now, continuing.

mistake the white names as PMs, this happened in the server but their roles were removed as they were kicked from the group.

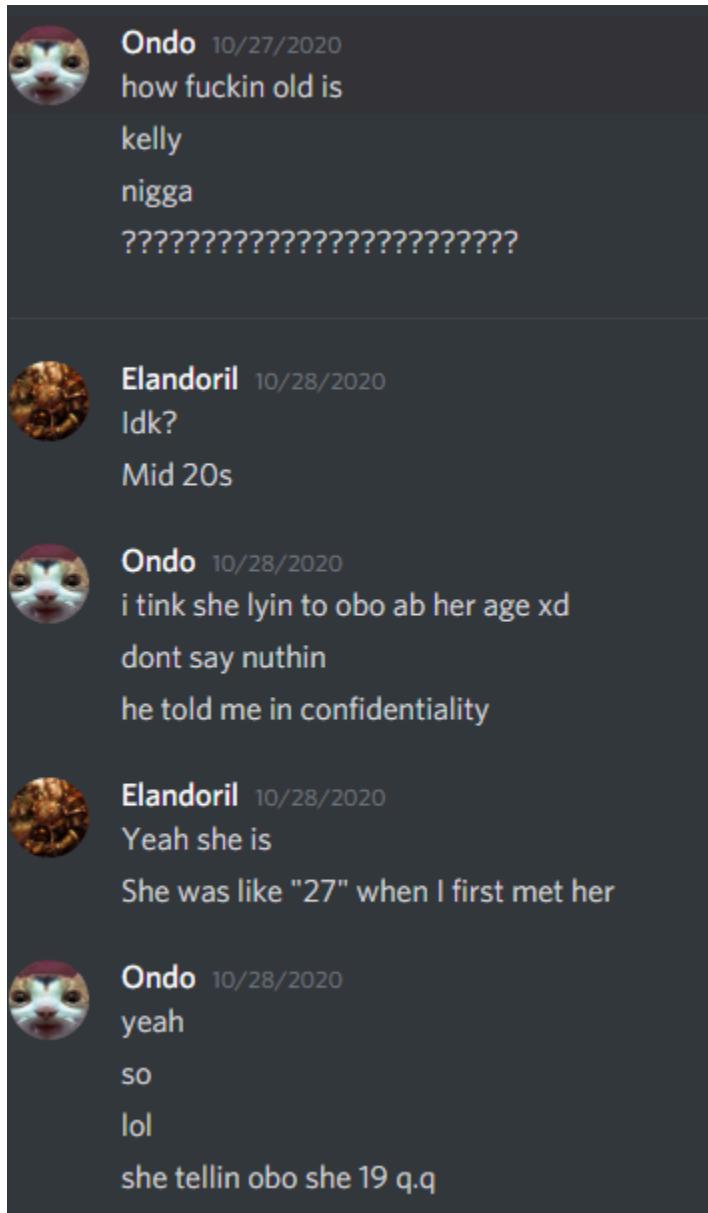

## Chapter 6: Testimony.

This chapter is in regards to Obo's girlfriend

This all roots back to Kelly, unintentionally. Obo wanting to make a Void faction because he's losing faith in his relationship with Kelly, which is the bedrock of his High Rock faction that he doesn't own entirely (due to her alt owning the group itself).

Originally, Kelly was seen as a villainous party in my own eyes. I've known her for years and haven't been a fan of sorts. She was going to get her own chapter where'd I'd catch them both, due to myriad of people telling me shady things about her. After the doc was released I decided simply to ask for her own testimony, providing the current version of the doc as her information. This is the chat that ensued.

Kelly's biggest mystery the past month has been her age. She's an old member of the community and no one really knew before. I'll share one screenshot here of such an occurrence.

**Ondo** 10/27/2020

We've known each other

since 2017, 2018

the times of SI/TTAD

Ancane's group.

At the time you were e-dating him

the implication here is that both of us were then...16, 17, 18 ish.

How come you sound and act exactly the same as you did back then

your voice

your humour

your antics

your vocabulary

and pronounciations.

The patterns I've examined in you fit a person that is 27, not 19.

**XoKellyKellyoX** Yesterday at 10:22

My humour is dark

like very dark

my antics?

Kelly's main controversy was the belief that she had lied about her age to get with obo. Turns out we (investigator team) were wrong on that one. I

apologize.

**Var** Yesterday at 10:22

That's not it. I'm just speaking humour in general. Your general responses to people speaking we've been in many environments  
SI, Orithiya and now.

**XoKellyKellyoX** Yesterday at 10:23

why would I lie about my age when I already admitted to it and came clean

**Var** Yesterday at 10:23

I'm not denying you  
only questioning you.  
And there are people who also agree on this

**XoKellyKellyoX** Yesterday at 10:23

such as?

**Var** Yesterday at 10:23

People who are in Void that were in SI  
that agree with my stated points  
on you sounding exactly the same  
as a 19 year old  
as a 16 year old  
how come that is.

**XoKellyKellyoX** Yesterday at 10:24

is this due to my affiliation with Obo?

**Var** Yesterday at 10:24

No

You're a whole different package.

**XoKellyKellyoX** Yesterday at 10:24

Seems that it is  
when I have done seemingly nothing wrong

**Var** Yesterday at 10:24

You are involved and any testimony you could provide could be valuable.  
But I'm not trying to destroy you  
nor turn you into a saint.  
and if you wish I can keep you anonymous

**XoKellyKellyoX** Yesterday at 10:25

no point, keep my name on this  
as for my age

**Var** Yesterday at 10:25

The current points stated against you have been corroborated by many people.  
Ondo  
Ancane  
many others.

**XoKellyKellyoX** Yesterday at 10:26

list all the points  
and I will answer honestly

**Var** Yesterday at 10:26

The one that involves them is just about the age.  
Now I'll turn to differnet things  
Are you aware that Obo has been talking to 14 year olds behind your back  
Trying to jump off the High Rock ship in fear that you two are breaking up.

**XoKellyKellyoX** Yesterday at 10:27

He has admitted it whilst I have been asleep  
despite me questioning him earlier

**Var** Yesterday at 10:27

But when you confronted him openly he did deny it, yes?

**XoKellyKellyoX** Yesterday at 10:27

indeed, to which I have gone off on him already saying he had his chance  
However, I do want to make a few things clear  
He does have bi-polar among other conditions

**Var** Yesterday at 10:28

Oh I know.  
Now another question. Have you two actually met  
What is the background of this relationship

**XoKellyKellyoX** Yesterday at 10:29

did a video call with him and asked what he was taking and it was lithium

**Var** Yesterday at 10:29

Weird, earlier he didn't mention lithium but did mention a different drug.

**XoKellyKellyoX** Yesterday at 10:30

I assumed it was lithium  
as he said bi-polar meds  
typically it is used in the UK as a long term treatment  
for the manic episodes  
be them high or low  
and mine and his relationship?  
he wants to meet  
given all this  
I am hesitant

**Var** Yesterday at 10:31

Alright alright.

Now really my only other gripe is:  
Do you know that he has been using you as a scapegoat of sorts.  
Threatening to kill himself if he loses you.  
and justifying his actions by calling me a liar, telling me he's in a relationship and wouldn't do the things he did.

**XoKellyKellyoX** Yesterday at 10:33  
as I said

I offered him a chance to come clean last night  
he did not  
I am feeling pretty fucking betrayed

**Var** Yesterday at 10:35  
Understood.

Thank you for your testimony  
I will contact you further if anything else is needed  
you are also free to ask me of anything

**XoKellyKellyoX** Yesterday at 10:44  
I just think Obo has a constant need for approval  
hence his fuck ups

**XoKellyKellyoX** Yesterday at 10:53  
I want something, nothing major but I believe I need a means of speaking about Obo to you all at once

**Var** Yesterday at 10:54  
Who is 'you all'?

**XoKellyKellyoX** Yesterday at 10:54  
the ones who composed the document

**Var** Yesterday at 10:54  
I'm the only one who publically speaks, out of all the authors.

**XoKellyKellyoX** Yesterday at 10:54  
anyone involved in digging about obo

**Var** Yesterday at 10:54  
I'm biting all bullets here. As I was the friend.

 **XoKellyKellyoX** Yesterday at 10:54  
digging into me  
I am telling no one anything of this  
Obo has made his own bed, he is facing this solo

 **Var** Yesterday at 10:55  
I understand. But as I said, I'm the only one who speaks publically out of the authors.

 **XoKellyKellyoX** Yesterday at 10:56  
I have a few holes to pick with the document  
dislike that my name was mentioned as i have no involvement but aye

 **Var** Yesterday at 10:56  
That's fair.  
But you are a pretty important figure in this whole affair.

 **XoKellyKellyoX** Yesterday at 10:56  
once more

 **Var** Yesterday at 10:56  
Considering you are the girlfriend, being effectively cheated on. (edited)

 **XoKellyKellyoX** Yesterday at 10:56  
I have done nothing wrong  
and I want to make it clear that I do not condone anything he has done

 **Var** Yesterday at 10:57  
You're right, you haven't done anything wrong. This document can help protect you.  
I had assumptions before that you were in on it with him, but I have changed my mind.

 **XoKellyKellyoX** Yesterday at 10:58  
Obo never asked for my magic, I offered it as we were doing the High rock group and I wanted a means of testing it  
and it gave me something to do

 **Var** Yesterday at 10:59  
Oh, in regards to him trying to steal the scripts?  
That was him trying to impress you. And when he admitted in genre chat not knowing what he was doing I remember that you contacted me directly, knowing I had access to the animations he was trying to cheat off me.

**XoKellyKellyoX** Yesterday at 11:00

Indeed, I recall it  
but he did talk me into making my own animations  
which I did

**Var** Yesterday at 11:02

I guess a lot was learned from this whole ordeal

**XoKellyKellyoX** Yesterday at 11:04

I feel cheated, wronged, betrayed  
and in all honesty  
I have been made a fool of

**XoKellyKellyoX** Yesterday at 11:27

if I take High rock  
would I be welcomed into the genres  
as it's leader

**Var** Yesterday at 11:27

Not up to me.  
And not if Obo is there.  
I reckon you post the document as an announcement, in all honesty.

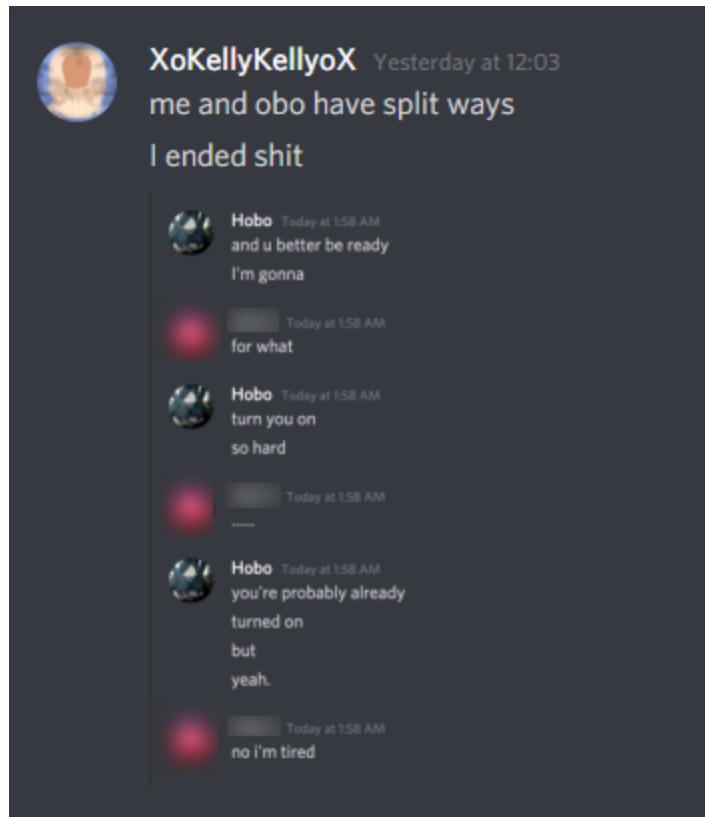

**XoKellyKellyoX** Yesterday at 11:27

Obo will be gone  
and I will be cutting ties to him

**Var** Yesterday at 11:28

In my eyes you are then redeemed of previous thoughts and assumptions.  
I wish you all the best.

Initially I believe I was a bit harsh on kelly. Believing she had a part in this but it occurred to me she is another victim. Obo backstabbed her for younger girls. As well as lied to her a lot.

Kelly and Obo have since split ways, as far as I know. She is continuing her High Rock without him. But he has not given her the discord server as of yet.

**Hobo** Today at 7:04 AM

@everyone High Rock is disbanded, all future projects relating to me have been cancelled. Good bye.

high rock is literally no more, neither am I.

we're done.

it's been a good run. I'm quitting for real.

i just lost the love of my life bc of stupid shit.

This concludes his saga as of now. I will post further screenshots between J and C that they sent me after this document was posted. This is to emphasize the fact that he lied to me that they'd protect him and vouch for him.

I'll proceed with the screenshots between C and J.
